Chester

Chester

Chester is a fresh interpretation of the classic Chesterfield lounge chair. The classic and stout expression has been replaced by a lighter and more refreshing version. The wooden base is available in soaped oak / black stained oak and adds warmth and character to the upholstered chair, while the wide seat enables the user to change positions. This new, refined chair also offers the opportunity to play with colors. Not only during contrast stitching, but also by contrast colors on the buttons. Chester is perfect for public spaces, waiting areas and lounges. Everywhere, it offers warmth, lightness and a cozy atmosphere with a contemporary feel

Designed by Kåre Frandsen
