

Haiku Sofa

Designed By GamFratesi, 2012

The Haiku Sofa is designed with just a few lines to convey an open, yet encompassing feeling. The clear outline of the outer shell is juxtaposed against the soft interior, providing an intimate sense of acoustic and visual privacy. To highlight the contrast between the outer shell and the interior, a wide variety of fabrics can be mixed or matched. The voluminous body is contrasted by slender legs, giving the impression that the sofa is almost hovering above the ground.
