

## The Spoke-Back Sofa

Designed By Børge Mogensen, 1945

The Spoke-Back Sofa is a classic Børge Mogensen design, first presented in 1945 as a proposal for the 'furniture type of the future'. The sofa combines chaise lounge and conversation sofa in one piece of furniture that is practical and expressive at the same time. The light construction in solid wood with removable cushions means that the sofa can always be renewed as needed.
