

Spine Metal Stool

Designed By Space Copenhagen, 2018

Spine is a series of chairs and barstools designed with a great attention to materiality, and a mixture of both classic and unorthodox design details. With a dynamic look, the series evolves around a straight seat, designed to bridge the comfort of a fine dining chair, with the openness and social invitation offered by a traditional barstool.

MODEL

1936 - Fully upholstered

MATERIALS

Frame of powder coated, welded steel tube and conic steel legs mounted with glider. Seat shell is fully upholstered with CMHR or HR foam on moulded plywood core, covered in fabric or leather. Finished with piping in the same fabric as upholstery or with contrast piping in leather. Cover is non-removable. Please specify counter- or bar height.
