

## A-Chair

Designed By Jens Risom, 1961

The A-Chair by Danish-American Designer Jens Risom was designed in 1961. This comfortable easy chair is defined by its graphic contour, and the iconic back view, where a distinctive frame cradles the entire chair. The A-Chair is equally suitable for corporate and hospitality settings as well as private residences, where it adds just enough comfort and style to become a preferred spot for winding down.
