Recycling and Disassembly

By disassembling your SOFTLINE furniture you can prolong the lifespan of the materials and lower the impact on the environment.

BOGGIE is fully recyclable – please see table for recycling information.

All parts can be fully separated and recycled. The recyclable parts can be delivered to a suitable recycling facility.

Packaging

The packaging is 100% recyclable, and all parts can be fully separated and recycled. All parts can be delivered to a suitable recycling facility.

Sustainability

Sustainable sourcing of materials is an essential philosophy at SOFTLINE. The majority of the materials and components are sourced from established manufacturers mainly in Europe – ensuring traceability, high quality and the lowest possible environmental impact.
