

BUTTERFLY WOOD & BUTTERFLY CLASSIC CHAIR

Design: (2013//2018) Niels Gammelgaard

MO 5340 / MO 5351

Butterfly-seriens elegante træstole i nordisk designtradition med lamineret træskal og træunderstel i skandinavisk eg. Som de øvrige stole i serien med en høj siddekomfort grundet lændestøtte og fleksibilitet i ryggen, og et let, men samtidigt markant design, både helt i træ og med polstring.

The Butterfly series' elegant wooden chairs in the Nordic design tradition with a laminated wooden shell and wooden base in Scandinavian oak. Like the other chairs in the series with a high degree of seating comfort due to the lumbar support and flexibility in the back, and a light but yet distinctive design, no matter if all in wood or with upholstery.
