## Matt

CHAT BOARD® Matt, like its glossier counterpart Classic, is the ideal tool for illustrating, sharing and communicating creative ideas and thoughts, as well as providing any kind of practical information in any imaginable workspace or domestic setting. What really sets it apart, however, is the elegantly matt, yet velvety smooth, surface, which ensures minimal reflection or glare. Equally easy to clean and maintain, the CHAT BOARD® Matt will remain a pleasure to use and look at for years to come.

CHAT BOARD® Matt is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. It **can be mounted both horizontally and vertically** on the wall, is easily switched from one orientation to another, and is available in 11 standard sizes and 25 standard colours. In addition, it can be made to order in bespoke sizes, shapes and standard RAL and NCS glass colours.
