CHAT BOARD® product sheet

Wardrobe

CHAT BOARD® Wardrobe cleverly merges a functional and spacious wardrobe unit with a large, magnetic glass board. Continuing the clear, intentionally understated design aesthetics of the entire CHAT BOARD® collection, the signature glass board is here transformed into a stationary piece of furniture, lending a new dimension to its core purpose. Placed in a reception area, entrance hall or lobby, the Wardrobe is the perfect way to greet visitors or co-workers with a message of welcome, an illustration or any kind of useful information. At home it will soon become an indispensable part of daily life, as a practical storage space and an unmissable place for sharing last-minute messages, shopping lists and notes of future appointments.

CHAT BOARD® Wardrobe is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. It is available in 2 sizes and 25 standard glass colours, as well as in a mirror finish. In addition, it can be made to order in bespoke standard RAL or NCS glass colours.
