Eyes 4 Leg Barstool

By Foersom & Hiort-Lorenzen,

- Eyes 4-Leg Barstool, Tube base bar/counter ht.

About The Eyes Barstool exemplifies a function-driven design where the form is all about comfort, with a touch of charisma. Seen in a softly curved shell that's engineered for leaning back with ease for hours on end. The slim, steel legs add a graphic element that gives the chair a light, airy feeling. Available in a range of fabrics and leather, it's easy to customise the Eyes Barstool for cafés, bars or restaurants in a public setting, such as an airport.

Product group Chairs & stools
