FISP Full Membership

### WARRANTY

We stand behind the quality and durability of our

products. That's why we are pleased to offer a warranty of 5, 10, or 25 years, depending on the specific product.

These warranty's cover breakage and damage of products occurring because of deficient craftsmanship performance under normal use. The warranty shall lapse if the product shows signs of mishandling abuse or other physical damage. The warranty does not cover those parts of the product which are exposed to abrasion during use.

For full details on the warranty period applicable to your

product, along with terms and conditions, please refer to our extended [Warranty brochure](#) ↗

### INSTRUCTIONS

Assembly instructions can be found at our website.

### MAINTENANCE

Refer to our [Maintenance Guide](#) ↗

### DISASSEMBLY & RECYCLING

Products should be disassembled and separated into their components and materials before recycling. Most products can be disassembled using hand tools.

Metal parts are commonly recycled. Powder coated frames are treated with a paint classified as not dangerous according to directive 1999/45/EF. Wood can either be recycled or incinerated. Plastic shells can be recycled. Upholstery and veneer shells are not recyclable but can be disposed of through incineration. Processes for recycling vary so check with your waste management organisation.
