PLURALIS™ TABLE
PRODUCT FACT SHEET

PLURALIS™ TABLE

With almost unlimited configurations, the Pluralis™ task table by Kasper Salto is a flexible solution to working needs.

Balancing fine furniture design with function, Pluralis™ serves every office need with its considered combination of features. Transforming from a single desk to workstations or a meeting table, it can be configured in endless ways. Bespoke cable management and power solutions ensure productivity. Ample legroom and surface space make for a comfortable working environment, and the addition of a centre leg ensures stability.
