Freya Lounge fremtræder moderne med sin dynamiske linjeføring og elegante profil. Stolens lavere højde, brede sæde og lounge hældning giver stolen en enestående siddekomfort. Freya Coffee Table, som passer perfekt til Freya Lounge stolene, supplerer Freya-serien.

Bordet fås i flere størrelser og forskellige materialer at vælge imellem, som giver muligheden for at komplementere alle loungeområder.

Freya Lounge appears modern with its dynamic lines and elegant profile. Its lower height and wide seat combined with the lounge slope gives the chair great seating comfort. Perfectly matching Freya Lounge, the Freya Coffee Table compliments the Freya series.

The coffee table comes in several sizes and materials, giving the opportunity to complete every lounge area.
