

Letters & Logos

Letters & Logos

A service we provide to create letterings and logos according to your unique specifications. Letters & logos can be created in aluminium or medium density fibreboard (MDF). Letters & Logos is filled with reindeer moss, or set it in front of a Pixel or Saga backdrop.

Certificates

- Lichen picking certified by ISO 9001 & 14001
- Fire resistance class A material rating (ASTM-E 84)
- Passed VOC emission test (CDPH)

Maintenance / Cleaning

Reindeer moss repels dust and is completely maintenance free. Dusting only at normal climate conditions with feather-brush or vacuum cleaner at low power setting only.

Humidity Protection

Contact with extreme humidity levels (water spray, prolonged direct sunlight, heat-emitting spotlights, etc) can wash out the preservative and should be avoided. The moss dries and becomes brittle when the relative humidity of the air falls below 40% and softens again when the relative humidity of the air rises above 40%.

Hypoallergenic

Does not contain any common allergens.

Installation

Hanging on the wall with screws & plugs (included).

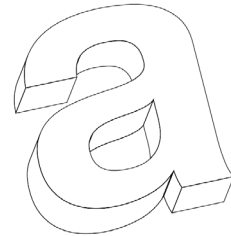

Warranty

A five-year warranty from the date of the original invoice covers any defects in materials, manufacturing or construction. The factory warranty does not cover normal wear and tear. For specially adapted products Nordgröna gives a one-year warranty. Any complaints relating to products supplied must be submitted to Nordgröna in writing together with documentation corroborating the nature of the fault.
