

FACTS

LOOP PICNIC H. 500 # 172

Eat, enjoy and talk! The combination of Loop Cone at the centre of 6 surrounding HopOp 500 opens up new opportunities for creating small, informal seating groups. A table-and-bench set where form, material and colour unite to form fun, maintenance-free furniture.

LOOP Picnic HopOp500 constitutes an alternative to traditional table-and-bench sets.

Design: AART Designers

TECHNICAL DATA

Material

Rotation moulded polyethylene, 6 mm thick, dyed. UV-resistant, stands up to weather, wear and tear. The material is suitable for granulation and recycling.

Surfaces and friction

HopOp500: The products have a textured/granulated surface due to abrasive blasting of the mold. This process enhances the friction and makes the surface less slippery.

Table: Slightly rough surface. Top: Smooth surface

Authentication

HopOp500 is TÜV approved as playground equipment acc. EN1176

Dimensions

Loop Picnic is combined of Loop Cone + Top plate + 6 units HopOp500.

Loop Cone: Top: Ø1130mm / Bottom: Ø810mm / H700mm

HopOp500: Ø500 x H400mm / Volume: 70 liter.

Combinations

Loop Cone and HopOp500 can be combined with various numbers of HopOp. Recommended no: 6.

Color Choices

All pieces are the same colour. Cone, table top and HopOp seating may be ordered separately for different colours combinations.

Mounting

Loop Cone and HopOp500 assemble using a single fitting (B14) that also bolts into the ground. (Predefined distance between table and seating, visible fitting)

Loop Cone and HopOp500 can also be individually mounted — see instructions for mounting (Individual distance between table and seating, bracket may be hidden if buried).

Recycled and ecolabelled*

Recycled version is made from 100% recycled polyethylene plastic, of which 85% comes from internal waste and production surplus, while 15% comes from polyethylene bags.

Recycled version is ecolabelled, promoting circular economy and fulfils UN's sustainable development goal no.12 – Responsible consumption and production.

Recycled version is available in anthracite variant, yet colour can vary from order to order.

Maintenance

This product withstands most cleaning agents and chemicals and can be cleaned using a high-pressure cleaner. The colour can be revived using vinyl cleaner or similar.
