

Jet

Jet is designed as an authentic lounge chair, where the sitting posture is naturally reclined. By instinct the arm is put on the back of the chair. The aerodynamic shape of the seat is underlined by a stainless steel frame, which supports the extreme tips of the crossed base, and gives an impression of lightness and firmness. Jet is a light and elegant lounge chair that fits multiple purposes in modern spaces. Part of the Jet family that also includes the Jet Table.

Designed by busk+hertzog

The Danish design duo was established in 2000 with a clear vision of being innovative and professional - but also with the aim of leading and inspiring a new generation of designers to further develop the Danish design legacy.
